Pétanque League

To All Club Secretaries

11th January 2012

REGISTRATION 2012

Happy New Year to you all. It's time to take our minds off the cold and turn our thoughts to playing pétanque on warm summer evenings!

Please find enclosed your registration form which should be completed and returned to reach me as soon as possible but, in any event, **no later than 29 February 2012**. An extra day because of the leap year, but still only 7 weeks from now.

As last year I do not intend having booklets or scorecards as we have moved to a paperless system. The website will again be the source of all contact details and the fixture lists, indeed everything previously contained in the booklet.

For this coming season we will continue to use automatic updating of the league tables, so when you enter your result, you can immediately view the updated table. On the same screen you will find a button to click to see games for which scores have not yet been submitted, and another button which when clicked shows all results entered so far. All of this is updated in real time. Scores therefore *must* be sent using the eScorecard on the KPL website. It continues to be a strict requirement that the scores **MUST BE RECEIVED WITHIN 7 DAYS** of a game so please let me know if any game has been postponed, or you may lose your score.

The registration form should include the names of all your players. However, please do not delay returning the registration form to me; if necessary return the form to me without the names. You can then send me the player names at any time up to March 15th 2012.

With any new player throughout the season; provided their name is sent to me before a game, they can play.

Last year we introduced drop down menus for players names, as well as teams and scores. This will continue, so if players are not registered with me you will not be able to enter them on the eScorecard except in the 'new player' area of the form.

If I can help in any way, or, if you have any queries, please contact me as soon as possible.

As in previous years, I am asking every club to supply me with details of any "local rules" which, if agreed, will be published on the website. If it isn't on the website I cannot subsequently support it!

Please also note that the increasing number of people using sat nav to find their way around means that the provision of a post code is essential for your venue together with the phone number.

Thanks for your co-operation and good luck for the new season.

Yours sincerely,

Mick Nash
Secretary, Kent Petanque League

PS if you are no longer the secretary please pass this to your successor and advise me.

Kent Pétanque League
